INCLUDES 08/12/2004 CONTINUING EDUCATION COURSE APPROVALS
BOARD APPROVED CONTINUING EDUCATION COURSES - Listed below are courses approved by the Tennessee Alarm Systems Contractors Board for CONTINUING EDUCATION in the Fire Installation, Burglar Installation, CCTV Installation, and Monitoring Alarm Systems Classifications for QUALIFYING AGENTS.

RULE 0090-5-.01 The continuing education requirement is eight (8) hours of classroom instruction _for each year for which the license is valid_. This classroom instruction shall be completed prior to the expiration of the license. **With renewal applications, Qualifying Agents must provide a photocopy of certificates of completion for approved continuing education course(s) totaling eight (8) hours for each year the license has been valid since the previous renewal.**

RULE 0090-3-.03 REPEATED COURSES   Repeated courses will not be given credit for educational qualification unless a period of two (2) years has passed between those courses.

As of **08/12/2004**, these are the only courses approved for continuing education by the Tennessee Alarm Systems Contractors Board. As other courses are approved they will be added to this list and can be forwarded upon request. *NTS* approved courses are also acceptable *if the certificate of completion contains a verifiable course number and the number of credit hours, and the certificate has the attendee's name and the date of completion printed on the certificate and the certificate is signed by the course instructor.*
